4. Corey told us that he developed a form for each sanction to complete and fax to him, when a youth is discharged from a program. He will get it to us for our input.
5. Judge Thorson's husband passed away. The entire committee sends their regards to her.
6. Corey also told of a Satisfaction Survey being sent to the Judges, regarding the Graduated Sanctions programs. He will provide us with feedback.
7. Corey asked if anyone had any new ideas for new programming. If so, we are to submit a proposal to him.
